For Active Duty: Only allow other IFT/NIFT enrolled students to fly as passengers in the aircraft while conducting IFT/NIFT Training.
7. To provide liability insurance according to the following:
 - a. In accordance with the operation of aircraft in performance of this agreement or the flight checking of the student by any employees, agents, or subcontractors of the flight school, the flight school will procure and maintain at all times during the performance of services under this agreement Aircraft Public Liability Insurance against death, bodily injury, and property damage. Such insurance shall be designated to protect the persons involved from claims arising out of acts or omissions as a participant or participants in this training. This insurance shall be procured and maintained in limits of not less than \$200,000 with respect to any one person injured or killed and, subject to that limit per person, an aggregate limit of \$500,000 with respect to any number of persons injured or killed as a result of any one accident, and \$200,000 per accident with respect to property damage. A certificate with limits of \$1,000,000 per occurrence and \$100,000 per person will be accepted as a supplement. Any insurance deductibles the flight school accepts as part of its insurance coverage are the sole responsibility of the flight school. Neither the Air Force nor the IFT/NIFT student will bear any responsibility or liability for insurance deductibles.
 - b. Each insurance policy evidencing this required insurance shall bear the appropriate endorsement whereby the insurance carrier waives any right of subrogation acquired against the United States of America by reason of any payment under such policy.
 - c. The flight school will provide to 19 AF/DOZ (IFT), 73 Main Circle Suite 1, Randolph AFB, TX 78150-4549, not less than 30 days (except 10 days for nonpayment of premium) written notice before cancellation of such policy can be effective.
 - d. The flight school shall, prior to the start of flight instruction under this agreement, submit to 19 AF/DOZ (IFT) either (i) a certified copy of the insurance policy actually procured and maintained, or (ii) an insurance certificate issued by the insurer indicating coverage in conformity with this condition of this agreement.
8. NOT to require the student to sign any Hold Harmless Agreement, Release of Liability Statement, or any similar such document as a condition of providing services to the student under this agreement.
9. To notify IFT in writing when aircraft rental or instruction rates change.

The individual signing below certifies that he or she is an authorized agent or employee of the flight school with the authority to bind the flight school to the terms of the agreement.
